

Dear all,

As you have seen on the meeting flyer, some twittering trees will also participate to our last STReESS meeting. For a successful communication with them, it is advised to set up Twitter on your mobile phone, tablet and/or computer already before coming to Joachimsthal.

Here is a short manual about how to proceed.

Cheers,

The Twitter team

How to become a Twitter user?

1. Install Twitter to:

Laptop / computer:

- you don't need to install, just look for and open twitter.com in your web browser

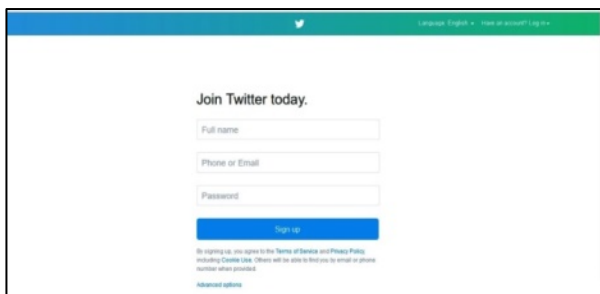

Tablet / mobile phone:

- download and install twitter application
- Android → Google Play
- iPhone, iPad → iTunes Apple

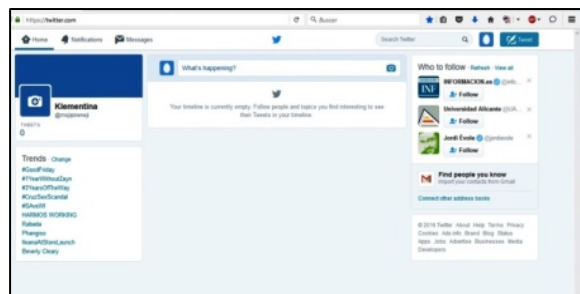

2. Register yourself (login) or create new account:

- Username
- E-mail
- Password

3. Basic actions with twitter:

- Tweet (text, photo, link, embed, ...)
- Retweet
- Like
- Reply

4. How to search for and to follow other twitter accounts?

- Twitter search → look for the person or profile you want, or enter a profile you know (for example: @COSTSTRess), press button follow → following

5. Tweets

- Use the hashtag symbol # before a relevant keyword or phrase (no spaces) in your Tweet to categorize it and to help it show more easily in Twitter searches.

An example: #final #meeting #Berlin #Joachimsthal is coming soon!

- Use @ symbol to refer to a profile

Examples: @COSTSTReESS, @TreeWatchNet

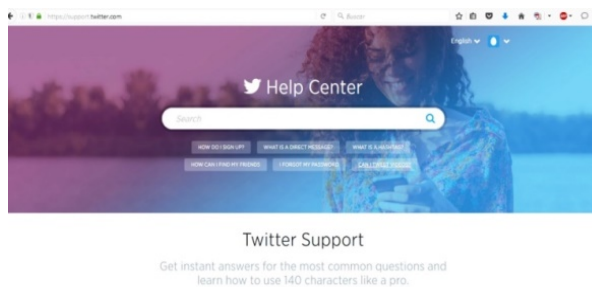

An example of complete tweet:

Follow us on @COSTSTReESS @TreeWatchNet #final #meeting in #Berlin
#Joachimsthal #COST #STReESS ☺

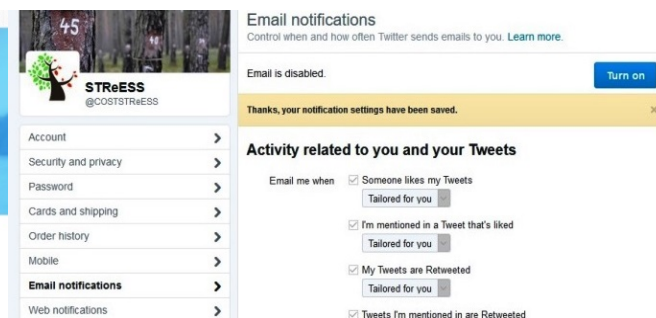

1. More questions?

Go to your profile icon → Help

2. How to handle the email alerts?

Go to your profile icon
→ Settings → Email notifications
→ Email has to be disabled, and you won't get any twitter notification to your email. (You can also tailor your alerts.)

How to follow the twittering trees?

Look for the next accounts / profiles:

@COSTSTReESS

@TreeWatchNet

@TreeWatchFBW

On [@COSTSTReESS](#) and [@TreeWatchNet](#), especially during the outreach event on Thursday 14th of April in the afternoon, you will see the performance of the twittering trees as follow:

You can:
